Presidents Message ...

Deborah Roberts
President 2008-2009

Fellow Rotarians,

It's here, the 2008 Holiday Season has begun. Our board of directors has approved assistance with two current projects. Locally we will support "One City, One Day, One Meal" with a monetary contribution to assist with a Thanksgiving Meal for the homeless, headed up by **Karl Keller** and The Ventura Social Services Task Force. You are invited to participate.

Additional information can be found at

the following website: <http://www.onecityventura.org/onemeal.html>. Internationally, we are contributing to a relief effort for the victims of recent flood in Honduras through the Rotary Club of Westlake Village. ...*"This relief effort is raising money for pots, pans, household items and clothing for those who have lost everything. In addition they are distributing emergency family food baskets, containing beans, rice, drinking water tortilla flower and other items..."* The Rotary Club of Ventura-East will sponsor some 12+ baskets.

Just for fun and fellowship, we will celebrate the holidays with each other at several meetings, socials and events. First, on December 5th we will board a Channel Islands Packers cruise as a social with our spouses, friends and loved ones. Have you gotten your tickets yet? On December 11th we will work in two shifts at the Salvation Army to prepare a wonderful meal for the residents of Silvercrest. Are you signed up for the morning or evening shift, or both? Our annual Club Christmas Party is on December 13th; make sure you get your name on the list so **Vance** knows how much food and drink to have on hand! December 18th is our Children's Christmas Party! This year we will move our lunch meeting to dinner-time to accommodate the kids who would otherwise be in school. Is it on your calendar? And don't miss the opportunity to be a Bell Ringer for the Salvation Army on December 20th. We are designated to cover **two** locations this year, JC Penney and the Vons on Victoria and Telegraph. Sign-up with **Tom Swan** now!

This is the time of year we pay special attention to the needs of others. At the same time, we celebrate with our family, friends and fellow Rotarians. Not only am I proud to be a Rotarian, but you have truly become my "other family", and I look forward to celebrating and giving back to our Community with each and every one of you. Thank-you for all you do!

Sincerely,
Deborah (Pudlewski) Roberts

Our program about the Salvation Army was brought by Captain Tolani Finley, assisted by her husband Bill and their 2-year-old daughter. The Finleys, both of whom are ordained ministers in the Salvation Army church, moved to Ventura having served over

three years in LA's skid row area. Bill and Tolani are particularly "justice oriented" and love their work.

We were given an overview of the history of the Salvation Army, which was founded by William Booth to counteract class discrimination. The organization changed over the years to provide many services which are divided into several programs:

- Missing Persons – to reunite members of families but not serve other purposes such as locating long-lost classmates, etc.
- ARC – Adult Rehabilitation Centers. These are the thrift stores we are familiar with, but they are independent of the rest of the organization. Goods are donated, sorted and sold by people being rehabilitated. The central sorting and housing facility for Ventura County is in Carpinteria.
- SAWSO, Salvation Army World Services Organization is a funding stream, providing dollars from the US for various world services, sent to projects and programs in 3rd world countries including hospitals. They also are working on ways to reduce human trafficking in slavery and the sex trade.
- Disaster Relief is an area we often associate with the Salvation Army. In Ventura, the Red Cross provides emergency housing and the Salvation Army provides emergency food services.
- Elderly Care services would include the Silvercrest housing facility where we serve Christmas dinner in December.
- Recreation, especially among youth, includes youth camps. The closest one in this area is in Malibu. The children are asked to contribute \$20 for the cost of a week of camp which is a huge discount. Mrs. Ray Krok (Burger King franchise) left about \$1.5 billion to pay for various youth recreation centers.
- Other social service include operating the Oak Street residential facility, where families get assistance toward a new start. The adults are expected to get a job and learn to save money. They are taught how to plan a budget and given training.

Of course at Christmas time we see the Salvation Army kettles at various locations. The four Ventura Rotary Clubs will be having a contest to see which Club raises the most money. We have two locations, JC Penney and Vons, and one date, December 20. See Tom Swan for the signup list.

Thank you, Tolani and Bill, for your dedication to such important work.

Diabetes conference first of its kind in Mexico

By Arnold R. Grah

Rotary International News -- 14 November 2008

With diabetes a leading cause of death in Mexico, two Rotary clubs in San Miguel de Allende, Guanajuato, organized a conference to bring together medical professionals from both the United States and Mexico to address the issue.

The Diabetes Conference in San Miguel, held 10-12 April, was Mexico's first-ever bilingual conference on diabetes and the first organized entirely by Rotarians. The village, a popular tourist destination, has a sizable English-speaking population.

More than 200 doctors and health care professionals took part in the event, educating health care providers on better detection and treatment of the disease. At least 300 members of the public attended sessions, conducted in both English and Spanish, raising awareness of diabetes, and ways to prevent its onset. Free diabetes testing and glucose monitoring devices were provided.

William B. Webb, international service director for the co-sponsoring Rotary Club of Tallahassee, Florida, USA, said the conference armed more than 500 villages in the area with knowledge and resources to combat the disease.

The event was paid for with a grant from pharmaceutical company Eli Lilly. The Municipality of San Miguel de Allende also provided financial and logistical support.

"We realized that diabetes, especially here in Guanajuato, is a major health problem," said Salvador Quiroz, an internist at Hospital de la Fe and a member of the San Miguel Allende club, in a press release. "That is why we organized this conference."

The three clubs, along with the Rotary Club of St. Francisville, Louisiana,

USA, also secured a Matching Grant from The Rotary Foundation for a digital camera and laser, which will be donated to the town's general hospital, for the diagnosis of diabetic retinopathy, a common cause of blindness in adults.

Roots of the idea

Webb chose San Miguel de Allende to partner with for a service project because he had been charmed by the town during a visit years earlier. In 2007, he attended a service projects committee meeting of the San Miguel midday club, and knew he'd discovered the core of a project management team. They chose the topic of diabetes because both clubs had experts on the subject, and it's a leading health concern in the country.

Dr. Larry C. Deeb, a Tallahassee club member and pediatric endocrinologist, spoke on the modern management of the disease. He noted that Mexico has one of the highest rates of diabetes in the world. Other experts included Dr. José Ángel Córdova Villalobos, health secretary of Mexico; Dr. James R. Gavin III, an endocrinologist specializing in diabetes and member of the Rotary Club of Atlanta; and Dr. Claudia Karina Anaya, an epidemiologist with the Health Center of San Miguel.

Webb gives much of the credit for organizing the event to the host clubs.

"The Rotarians in San Miguel are the real heroes, in my opinion," he says. "They got it all organized in a remarkably short time."
