## Presidents Message ...

**Wendy Pazen**  
President 2010-2011

We're back! Hawaii was great with our sons, daughter-in-laws and six grandchildren. Thank you, BILL and KIM GRAY and family for offering your beautiful house on Oahu for the live auction at last year's Casino Night! We were very happy to have won a week there!

**GSE TEAM IS COMING ON OCTOBER 6, 7, 8 – HOSTS ARE NEEDED!! CHECK WITH DEBORAH ROBERTS.**

Sunday was our annual Piggy BBQ and we actually had pork tenderloin prepared by Chef JORDAN ELLER and his terrific team. TOM SWAN was co-chef and lots of help was given by the members who were present. BILL SPELLMAN and his assistant LYNN, prepared some very tasty chili beans, BOB LYNN and LINDA CERVON pitched in with the garlic mashed potatoes. JEFF HATA and DEBORAH ROBERTS appeared busy...Thank you to the whole crew, even though I haven't mentioned you individually, you made it all happen.

We inducted JESSE GONZALEZ into our club at this crazy meeting. JESSE was able to share this special event with his family as well as his sponsor, MARIA LOPEZ and her twin daughters. JESSE also was a huge help in filling the 300+ water balloons while KEN KAGAN, DEBORAH and I assisted with the knot tying. \*\*\*FLOYD GILL has taught his son, BRANDON, the fine art of ambush. My revenge will be sweet....

JUDY, WILL, COLIN and ZANDER HOAG brought the fish piñata full of candy and toys. Thank you, HOAG FAMILY. The 3-legged race, the sack race, the noodle race and the water balloon toss were a lot of fun as well as the Corn Hole game.

We were visited by RAY ELLER, a Rotarian from the Santa Barbara Main Club, and his wife ALDORA. Thank you for joining us and your son, PEN Jordan. We also had 3 members of Ventura-East's Cub Scout Troop there selling popcorn and giving out samples. It was delicious!!

For all of you who could not make it to the BBQ, you will have an opportunity to make up at this week's Avenues of Service Meeting, Thursday at 1:00.

Piggy Banks were brought by BOB LYNN, LINDA CERVON, BILL GRAY and WENDY PAZEN. The total so far is \$132.34 towards scholarships. Don't forget to bring in your piggies..... or a check!!

Have a great week!

Wendy

Our speaker on September 9, 2010, Kimberly Reid, is a licensed Master Practitioner of Neuro Linguistic Programming, a Clinical Hypnotherapist, Timeline and Regression Specialist, Reiki Energy Worker, and Neuro Linguistic Life Coach.

Kimberly's quest to learn more about herself and how to have the best life possible started at an early age after observing how her parents were like oil and water. Along her journey, she was Salutarian of her high school class and then put herself through college. Kimberly then hit a time of difficulty with both relationships and finances.

Approximately six years ago, Kimberly made the decision to change the direction of her life. She was tired of barely existing and not living true to her soul. Kimberly changed her thoughts by 180 degrees and replaced every negative, self-sabotaging thought with three positive thoughts. She was greatly influenced by an inspirational series authored by Jack Canfield.

Kimberly learned about Neuro Linguistic Programming ("NLP") which is a tool to help a person change fears or beliefs held in the subconscious mind. She uses NLP with hypnosis to help her patients to become more productive and happy people. Her goal is for her clients to be wealthy, i.e. have well being in all aspects of their lives, physical, emotional, financial, etc.

Kimberly's client, Emilia Marie, described her experience of working with Kimberly. Emilia had been highly afraid of driving. Her fear of driving caused her to turn down several lucrative business opportunities. She finally sought help from Kimberly. After just one session, Emilia feels she has been freed from her fear of driving. For the last two and one-half weeks, Emilia has been happily driving herself around.

Vance Thompson introduced guests & visiting Rotarians.

Jesse Gonzalez led us in the Flag Salute,

Meeting, cont'd from page 3

You may receive Kimberly's monthly newsletter by e-mailing her at k@toolsforbetterliving.com

Thank you for a great presentation Kimberly.

Deborah A. Perkins

Kimberly Reid spoke to us about Neuro Linguistic Programming.

## Letter from Tom Swan

Fellow Rotarians;

This past weekend I had the privilege of attending the Presidents-Elect Retreat conducted by District 5240 and District Governor-Elect (DGE), Wade Nomura. The retreat was intended to provide an insight into the responsibilities and opportunities I will be facing as Club President. This event delivered as promised.

For those of you who have attended a Master Professional Rotary Leaders Seminar (MPRLS) class in the past couple years, you are already familiar with DGE Wade Nomura. He has been the lead instructor of MPRLS for the district, as well as a Past-President of the Carpinteria Rotary Club and brings with him the smooth assuredness of a top-notch speaker as well as the commanding authority of a natural leader. I believe Wade is going to be one of the strongest District Governors this district will have produced in many a year.

We started our retreat with a social reception Friday evening; allowing the 55 president-elect in our district the chance to get to know one another and match the names to the faces. This year's retreat has seen the most attendees in recent years and I could sense the excitement and enthusiasm in the room Friday and throughout the weekend. We left the reception wondering what pearls of wisdom would be imparted to us the next day.

As any MPRLS graduate, or accomplished speaker would testify, in any formal speech or presentation, the presenter should endeavor to:

- Tell the audience what message they will be receiving.
- Deliver the message you want them to receive.

- Then remind them of the message you just delivered to them.

Over the course of the Saturday events, DGE Wade and his hand-picked administrative team did exactly that. By giving us the insights of what our year will entail, we were fully prepared to receive those very same pearls of wisdom. After lunch, the training began in earnest. We learned many lessons involving conflict resolution, various ways and ideas to bring in new members and retain our veteran members. One staggering statistic that was mentioned is that the largest and fastest areas of Rotary growth are OUTSIDE the United States. Our veteran members helped build Rotary to what it is today, but the baby boomers, gen-Xers, and millennials have yet to step up and take the lead. Hopefully that will change in years to come and, I believe, DGE Wade Nomura will help us all to make a difference.

Sunday morning the ideas we discussed on Saturday were reinforced in the guise of a panel of past club presidents who had achieved high honors during their leadership rewards. Fielding questions from the gathering of Presidents-Elect, they gave anecdotes and gave us the benefit of their experiences, while engaging the audience to round out their responses. One suggestion that was given is something that President Wendy has already initiated: allowing the Avenues of Service to conduct meetings in lieu of a program speaker during a regularly scheduled club meeting; this brilliant idea has provided more members the opportunity to be involved with the various projects our club is conducting.

By the end of the meeting Sunday I was bursting at the seams with ideas to implement to keep the growth of our club moving and to make the Rotary Club of Ventura East even more fun!

## New Generations gives Rotary a new avenue to serve

By Ryan Hyland

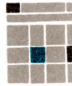

Rotary International News -- 9 September 2010

This September's New Generations Month takes on a different meaning than in the past.

The commitment to getting youth and young adults actively involved in Rotary was strengthened in April when representatives at the Council on Legislation approved New Generations as the fifth Avenue of Service. Read more.

RI President Ray Klingensmith says the new Avenue of Service improves the value of youth programs and their impact on Rotary's future.

## Weekly Raffle

Our raffle this week was \$50 cash donated by Dick Gallagher.

Our lucky winner was Terry McBreen!

We raised \$110 this week bringing our total for the year to \$1,042.

Thank you to Dick Gallagher for your generous donation and congratulations to Terry McBreen.

“The Council wanted to be sure New Generations programs were given adequate attention by clubs,” says Klinginsmith. “Rotarians just want to be up front and recognize the importance of these programs. New Generations isn’t just important to the future of Rotary but also our communities and the world.”

New Generations Service acknowledges the positive change implemented by youth and young adults involved in leadership development activities, community and international service, and exchange programs that enrich and foster world peace and cultural understanding. Programs include RYLA, Rotaract, Interact, and Rotary Youth Exchange.

“We truly have the finest youth programs in the world,” says Klinginsmith. “Their intrinsic value continues to escalate. We do a great job with these programs, we just need to give them more visibility.”

This month is a chance to celebrate the new Avenue of Service, says Vicki Puliz, chair of New Generations Service for District 5190 (parts of California and Nevada, USA).

“News of the Council’s decision was welcomed with excitement and enthusiasm by Rotarians in our district,” says Puliz. “We are using this as a way to emphasize how Rotary International views New Generations and its importance. It’s a springboard to communicate even more with our clubs about these programs.”

Virtually every club in her district is involved with one or more of the four youth programs. A wide range of district programs fall under the New Generations umbrella, says Puliz.

“Focusing more on youth is crucial for Rotary to thrive and survive,” she says. “It’s one of the reasons why we have programs on literacy, leadership training, and ethics for young people.”

She recommends that every club appoint a New Generations Service chair. “We’ve learned that our youth programs benefit from communication and coordination,” says Puliz.

New Generations joins Club Service, Vocational Service, Community Service, and International Service as an Avenue of Service. Before starting a project, Rotarians are asked to think broadly about how their club and its members could contribute within each avenue.

Klinginsmith says the best clubs are the ones that are well balanced.

“Strong clubs are involved in all five of the Avenues of Service,” he says. “The ones that don’t have New Generations programs are missing a part of the great adventure of Rotary.”
