Presidents Message ...

Wendy Pazen
President 2010-2011

CONGRATULATIONS, VENTURA-EAST!!

On Saturday night, **Judy and Will Hoag, Carol Marquez-Olson, Jeff Hata, Jan and Pam Lindsay, Tom Swan and Georganna Hawley and Bob and I** attended **DG Deepa Willingham's** Demolition Party. It was a great time and very funny with **Deepa** being the target of all jokes. Especially when **Anil Garg** said he had a tough year trying to understand **Deepa's** accent.

We were very excited to receive our awards from the District and Rotary International. We received the **Super Club Award, and the Governor's Citation Award, and the RI Presidential Citation Award!!!**

If our club awards weren't enough, we were also extremely honored to receive the **RI Presidential Award** on behalf of the **Buena High School Interact Club**. **Buena High** was the **ONLY Interact Club in the District (72 clubs)** to receive this award!! It is a very big deal!

CONGRATULATIONS, BUENA HIGH SCHOOL INTERACT CLUB!!

A huge thank you to **Mark Smith and Chuck Yuncker** for all the weekly work they do for Buena High Interact Club. As **Vance Thompson** pointed out, the Interact Club has raised approximately \$65,000 from the bake sales over the last 30 years under the incredible guidance of **Pastor Mark Smith**. We are so lucky to have **Chuck and Mark** in our club!

Now, on a more personal note, I would like to take this time to thank all of the Ventura-East members for giving me the opportunity to serve as President of this amazing club for the past year. It has been a lot of fun and a great experience for me.

The Board has been very supportive and instructive during our monthly meetings and a tremendous help every time I needed them. I can't thank them enough!

So, thank you, Rotary Club of Ventura-East for your support and guidance this whole year. You have all contributed to keep this club fun, active and growing stronger with new members.

You have **Inspired** me,
Wendy

Jessie Gonzalez greeted and received a Paul Harris Fellowship today!

Deborah Perkins then introduced our speakers.

Margo Byrne, Executive Director of the Ventura Family YMCA, along with Aquatics Director Amber Stevens, gave us an update on Operation Splash and other projects that the YMCA is working on.

Operation Splash began when Jeff Hata asked Margo what the YMCA would do with a donation from our Club. Margo posed the question to her colleagues. Through their brainstorming efforts, the YMCA staff decided that they wanted to provide swim instruction to homeless children and children from low-income families. Upon hearing about the idea, our Club increased its donation and Operation Splash was born.

Operation Splash is presented during the eight weeks of summer. Children from six months old to teenagers are brought in from a variety of places including the Kingdom Center, Project Understanding, Salvation Army, Nyeland Acres, and the Ventura Unified School District.

Each child is given a swimsuit, towel, and goggles. Swimsuit drives have been held at the Centers for Family Health, and the County of Ventura Human Services Agencies. Currently, the YMCA has many swimsuits for the program, but are in need of towels (beach or bath towels are fine).

The children are taught a variety of things including, stroke development, personal safety, core values, water sports and games, and rescue techniques.

The Ventura Family YMCA staff has been so inspired by Operation Splash, that it has started two other programs: Operation Senior and Operation Kick.

Operation Senior is sponsored by the Ventura Downtown Rotary Club. This program brings seniors in to use the therapy pool.

Operation Kick is sponsored by Floyd and Erin Gill.

Pastor Mark Smith received a Rotarian of the Year award!!!

This program offers soccer training to homeless and low-income children. The YMCA is working to coordinate Operation Splash with Operation Kick so that the children can do both at each visit. The YMCA has graciously been given tickets to a Galaxy soccer game and will be taking the children later in the summer.

The Channel Islands YMCA Association recently recognized Operation Splash with its Program Excellence Award. Nationally, the YMCA organization is praising the success of Operation Splash. The hope is that other YMCAs will start similar

Amber Stevens & Margo Byrne spoke about Operation Splash

Clubrunner ... what is it?

Jeff Hata

We are currently undergoing a shift in our club from manual systems to more automated and efficient systems. This system is called clubrunner. Please be patient and tolerant of us as we integrate this new system because it will be better for all of us once completed.

“Community clubs everywhere are serving a great cause. The hard work and dedication of their members have contributed to the great success of service clubs all over the world. But these dedicated members still find themselves spending hours administering club activities, often repeating the same work with each event. Time that is much better spent contributing in a meaningful way.

Clubs all over the world are facing challenges in building membership, especially with the younger generation, the future leaders of community service. ClubRunner is simply a tool that helps dedicated people do their job more efficiently and use their valuable time more wisely by streamlining common processes, and centralizing information so that it is at the reach of every single member.

ClubRunner offers all your members the tools to connect, communicate and collaborate.” From the clubrunner website www.clubrunner.ca

What will we be able to do?

- * Website Manager - Our current website will be integrated with clubrunner allowing our members to get the most up to date from R.I.

Linking New Generations programs keeps participants on track to becoming Rotarians

By Megan Ferringer
Rotary International News -- 23 June 2011

A mentoring program in District 5160 (California, USA) helps incoming college freshmen – particularly those who are Interact alumni – get connected with university-based Rotaractors. It's just one example of the efforts undertaken by many districts to keep Interactors, Rotaractors, RYLarians, and Rotary Youth Exchange participants in the fold – and on track to become Rotarians.

“It's important to recapture people who fall through the holes, such as an Interactor who graduates from high school, moves away to college, and has trouble finding a Rotaract club,” says Joanna Kwong, Rotaract District 5160 representative. “We often refer alumni or recent graduates

to the next relevant program. Interactors pool from RYLA and Youth Exchange, and Rotaractors seek membership from former Interactors.”

Jim Cambier, past president of the Rotary Club of Danville, California, says that building relationships between New Generations programs is the first step toward ensuring successful transitions.

“Whether it’s Interact, Rotaract, RYLA, or Youth Exchange, it’s important to let everyone know that these programs all flow together,” says Cambier. “When they see the whole connection, they can really understand just how multifaceted New Generations Service is.”

To make the transitions seamless, District 5160 is also setting up a district alumni database to track Interactors and Rotaractors in order to link them with a New Generations group, whether within or outside the district.

Here’s what other districts are doing to cross-promote New Generations programs:

* Rob Newman, Rotary Youth Exchange chair for District 7450 (Pennsylvania), arranged a day of international exchange to forge a connection between the Rotaract Club of Philadelphia and Youth Exchange students.

* Alana Wilson, president of the Rotaract Club of Gunargarang, New South Wales, Australia, and a former Youth Exchange student, attended RYLA seminars in her district after she joined Rotaract. She says having someone already involved in New Generations reach out to potential participants helps bridge the gaps between programs.

* Mat Matson, RYLA chair for District 5450 (Colorado), says his district always includes a presentation on Interact at its RYLA conferences. He notes that most of the 29 Interact clubs in the district were started by former RYLA participants.
