Presidents Message ...

Tom Swan
President 2011-2012

Hello Rotarians;

This has been a fun week. I had spent so much time and emotional energy getting ready for the first meeting of the year, that now, I feel almost like I am on vacation. Almost.

During the first club meeting last Tuesday, everything went unexpectedly smooth; I only forgot a few things. Thankfully the room was filled with helpful Rotarians eager to remind me of the important things I forgot. Thank you to Danielle Brinkman, Jeff Hata, Rich Stewart and Harriet Clune for providing us with updated information regarding the public relations committee. Jeff Hata is doing a wonderful job with the website and the conversion to ClubRunner, while Danielle Brinkman is keeping us top of mind with her Facebook postings on the club's facebook page. In the near future, we will be adding a Twitter account, where followers will be able to find out about the latest funny, interesting, or downright embarrassing happenings at our club meetings.

And what did you think about Bill Spellman's expose of Carol Marquez-Olson? Who knew she was gainfully unemployed? I am so grateful for Bill helping us to learn more about our members.

This past Saturday (July 9) I attended District 5240's PR and Membership Seminar. Originally the seminar was scheduled for the CLU extension center in Oxnard, then relocated to the CLU Main campus. I received a telephone call late Friday afternoon from District 5240 Chief Operating Officer Sharon Girod, telling me the seminar's location was being rescinded by CLU due to an unanticipated increase in weekend campus traffic. She asked if there was anyplace we could meet on short notice. So I called Carol Shiells at the Poinsettia Pavilion, who graciously allowed us to use the Canada Larga room at a one-hour rate. What a deal, and on short notice too!

I immediately called Sharon Girod, and informed her of this news, so Ventura East Rotary saved the day for the entire district. Whoohooo!!!

The seminar itself was action packed and had tons of great information to impart to us. Providing training and information heavy on social media and public relations, we learned newer, faster and smarter ways to communicate with the media, and our target markets. My hand still aches from all the note-taking. Thankfully the presentation material is available online.

We are looking forward to the next couple weeks as we gear up for our Labor Day Shooting Contest. Consider this a formal call for volunteers to help out with the planning of the event. We still have a few contestant positions available (remember

Deborah Roberts led us in the Flag Salute.

past Rotary Presidents can relate too.

President Tom then asked everyone to put their phones on silent and let us all know that from this point forward, if your phone rings during the meeting, you will incur a \$20 fine, no questions asked.

Tom thanked our greeters Husam Hishmeh and Bill Hicks.

Deborah Roberts led us in the salute to the Flag.

Bill Spellman did our Vocational Minute with a little twist. Bill asked Carol Marquez-Olson to please come up. Bill then asked Carol to tell us about her occupation as a Travel Agent. Carol then informed Bill that she had retired. After that, Bill had nothing more to ask!

Nikki Sloan introduced our guests and visiting Rotarians. Visiting from Ventura Downtown was Gary Wolfe and from Ventura South was Karl Eggerson. Guest of Bob Pazen was Richard Schiounal.

President Tom then asked Wendy Pazen to come forward and presented Wendy with a Past President's pin and Past Presidents Award.

Birthday's and Anniversaries for July? Celebrating birthday's were Deborah Roberts and Judy Hoag and celebrating anniversaries were Judy Hoag and John

Bill Spellman gave our Vocational Minute.

President Tom Swan asked Chad Gibson to give an invocation. Then President Tom Swan invited everyone to lunch, guests and visiting Rotarians first!

After lunch, President Tom started out his year by reciting the Rotary Club President's Prayer, "Please Lord, don't let it fall apart in my year!" A Prayer that all

Terry McBreen announced that our raffle prize was a \$50 cash donated by Mark Rook.

Bob Lynn then reminded everyone that if they buy their raffle tickets with a yellow slip, the raffle will show up on your bill which is tax deductible. A win-win since you get a tax write-off and our Buena High School Scholarship fund will continue to grow.

Avenues of Service Reports:

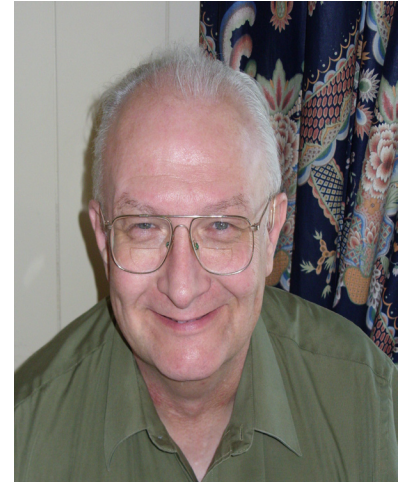

International Service - Judy Hoag announced that we will be taking a group down to Nicaragua Sept 7 - 14. We can qualify for a travel grant in the amount of \$3,000.

Our new President, Tom Swan, presented the Club with his vision for the 2011-2012 year. Tom would like to create a public relations and social media machine. He has enlisted the help of Danielle Brinkman who will be giving the Club a Facebook presence, and Jeff Hata who will be assisting with implementing Club Runner and updating the Club's website. Tom would like to focus his year on boosting membership and believes that these tools will be key in accomplishing that goal.

Tom explained that there will be a few changes in the format of the meetings. First, there will be a slide show presented during the lunch portion of the meeting. This will help give potential (and new) members a better idea of the type of projects that we have. Also, Bill Spellman will be randomly (and with no notice) calling on a member to give a brief vocational minute at each meeting.

Tom commented that he likes the Club, and some of us! He originally joined Rotary so that Rich Stewart would stop bugging him to become a member, and so that he could make a difference in his community. His love of helping people led him not only to a career in financial planning, but also to Rotary.

Tom stated that he does not feel like the Club

Bob Lynn spoke about tax deductions!

communicates very well internally or externally. He would like to improve upon this, especially by creating a consistent message to the community and prospective members.

Tom stressed that Rotary is about family and that our Club needs to invite and involve our members' families on a greater scale. We truly want everyone to brag about Rotary!

Thank you Tom for inspiring the Club. We look forward to accomplishing great things under your leadership.

Deborah A. Perkins

President Tom Swan told the club his goals for this year.

Clubrunner ... what is it?

Jeff Hata

We are currently undergoing a shift in our club from manual systems to more automated and efficient systems. This system is called clubrunner. Please be patient and tolerant of us as we integrate this new system because it will be better for all of us once completed.

“Community clubs everywhere are serving a great cause. The hard work and dedication of their members have contributed to the great success of service clubs all over the world. But these dedicated members still find themselves spending hours administering club activities, often repeating the same work with each event. Time that is much better spent contributing in a meaningful way.

Clubs all over the world are facing challenges in building membership, especially with the younger generation, the future leaders of community service. ClubRunner is simply a tool that helps dedicated people do their job more efficiently and use their valuable time more wisely by streamlining common processes, and centralizing information so that it is at the reach of every single member.

ClubRunner offers all your members the tools to connect, communicate and collaborate.” From the clubrunner website www.clubrunner.ca

What will we be able to do?

Historic Moments: Why the Rotary year begins 1 July

*By Susan Hanf and Jason Lamb
Rotary International News -- 8 July 2011*

Ever wonder why the Rotary year begins 1 July? The international convention initially played a key role in determining the start date of our fiscal and administrative year.

Rotary's first fiscal year began the day after the first convention ended,

We raised \$90 this week bringing our total to \$90 for this Rotary Year!

Our lucky winner was Nikki Sloan. Congratulations Nikki. Nikki then donated her \$50 winnings to the raffle pool bringing our raffle donations for this Rotary Year to \$140!!!

Again, thank you to Mark Rook for his generous donation and congratulations & thank you to Nikki Sloan for her generosity!

Historic Moments, cont'd from page 5 on 18 August 1910. The 1911-12 fiscal year also related to the convention, beginning with the first day of the 1911 convention on 21 August.

At its August 1912 meeting, the Board of Directors ordered an audit of the International Association of Rotary Clubs' finances. The auditors recommended that the organization end its fiscal year on 30 June to give the secretary and treasurer time to prepare a financial statement for the convention and board, and determine the proper number of club delegates to the convention.

Rotary's first fiscal year began the day after the first convention ended. The convention of the Rotary Clubs of America was held in Rotary's birthplace, Chicago, in 1910.

The executive committee concurred, and at its April 1913 meeting, designated 30 June as the end of the fiscal year. This also allowed for changes to the schedule for reporting club membership and payments. Even The Rotarian changed its volume numbering system to correspond to the fiscal year (beginning with vol. 5, July 1914).

Rotary continued to hold its annual conventions in July or August until 1917. Delegates to the 1916 event in Cincinnati, Ohio, USA, approved a resolution to hold future conventions in June, mainly because of the heat in cities where most of them occurred. The next one was held 17-21 June in Atlanta, Georgia.

The term "Rotary year" has been used to signify Rotary's annual administrative period since at least 1913. An article in The Rotarian that July noted, "The Rotary year that is rapidly drawing to a close has been signalized by several highly successful joint meetings of Clubs that are so situated as to assemble together easily and conveniently."

Since the executive committee's decision in 1913, the end of the Rotary year has remained 30 June.
