Presidents Message ...

Tom Swan
President 2011-2012

As many of you may know, last year, Jan Lindsay found a travel trailer that was donated to us by Cars for Causes. While it was not what we were looking for, we had a trailer given to us at no cost to the club. This week, Jordan Eller successfully sold the trailer to Barber RV for \$6,300. Now, armed with the proceeds, we are searching for a concession or toy hauler trailer that can be converted to a fully equipped BBQ trailer, replacing the great little blue trailer we have used for so many years. It is the intention of the club to procure a trailer that will be fit for using at street fairs and festivals and that will be able to pass inspection by County or City health inspectors. The Thousand Oaks Morning Rotary Club is sponsoring the Oktoberfest at the Camarillo Airport this year and they have asked us to be one of three food vendors for the event. We hope to have a new trailer purchased and equipped in time for this event.

Speaking of Oktoberfest, please mark your calendar for Saturday, October 1 to assist. This will be one of our major fundraisers this year and we need all hands on deck for this one. It will be just like many other BBQ events, except we expect to be very busy and continuously cooking, preparing and serving food for the entire afternoon.

This past Sunday Georganna and I attended the Santa Paula Club's District social event. They reserved the Santa Paula Theater where we watched the Agatha Christie play, "Black Coffee". Also attending was District Governor Wade Nomura and his wife Roxanne, PDG Jan Lindsay and his wife Pam, Assistant District Governor Deborah Roberts, and our own Jordan Eller. It was a fun event, preceded by food, wine and good company.

Our next club meeting on Thursday, January 21 promises to be a very informative one with Doug Halter, President of the Ventura Botanical Gardens (VBG) as our guest speaker. VBG is on a growth fast track having gained a lease from the city for the ongoing use of Grant Park, nearing completion of the Environmental Impact Report, and preparing to initiate cleanup of the old park and construction of the pathways and even their first of several public gardens. Before we know it, they should be open to the public.

Meanwhile, we will continue to do good works in the community, as we have done for so many years.

Wishing you all a fabulous week,

Tom

Reach Within to Embrace Humanity

Meeting July 14, 2011

Reported by Jeff Hata

Rich Stewart led us in the Flag Salute.

Tim Hughes.

Rich Stewart led us in the salute to the Flag.

Chad Gibson introduced our guests and visiting Rotarians. Guest of Jeff Hata was Michelle Mercado, guest of Jim Word was Alberta Word and guest of A.C. as his friend Bridget. Chad then introduced our speaker MaryEllin and her husband Santiago.

Bill Spellman then called Bill Gray up to do a vocational minute. Bill is in the property management field and owns Ventura Realty and Homes. Bill's favorite part of his job is dealing with people and his least favorite part is dealing with people.

John Borneman then lead us in a song.

Terry McBreen announced that our raffle prize was a \$50 cash donated by Jordan Eller.

Past President Wendy Pazen presented Tom with his gavel which features the handy work of club members Jim Word and Bob Lynn. The President's Gavel is very much respected and revered by all president's of our club!

President's announcements:

If someone has or knows the whereabouts of the BBQ Team's knives and utensils will you please let

Then President Tom Swan invited everyone to lunch, guests and visiting Rotarians first!

President Tom asked everyone to put their phones on silent and reminded us all that from this point forward, if your phone rings during the meeting, you will incur a \$20 fine, no questions asked.

Tom thanked our greeters Judy Hoag and

Tom or Jordan know.

Avenues of Service Reports:

International Service - Judy Hoag announced that we will be taking a group down to Nicaragua Sept 7 - 14. We can qualify for a travel grant in the amount of \$3,000.

Community Service - Craig Miller announced that almost all of the art for the Student Art Contest are now available for viewing at the Pacific View Mall.

Club Service - Jordan Eller announced that we will be doing a BBQ at Gene Cherry's home this Saturday and we need volunteers for the BBQ team. We also still need contestants for the Shooting Contest in September.

Jeff Hata announced that Andy Corliss is undergoing treatment for cancer and that along with a flair up of Andy's arthritis is what has kept Andy from our meetings these past few weeks. Andy is still working, but would appreciate calls from members.

Happy \$'s: John Borneman, Harriet Clune, Bill Spellman, Wendy Pazen, Richard Jimenez, Monte Widders, Floyd Gill, Tim Hughes and Pete Gallagher.

Deborah Perkins introduced our speaker MaryEllin Santiago.

MaryEllin Santiago of Santiago Library Consulting gave a wonderful presentation on her work with the City of Ventura. She was hired as a consultant to assist in examining the current library system and the ways that it can be improved.

MaryEllin believes that the public library system should reflect the needs and wants of the community it serves. As such, she created a questionnaire for the citizens to gather their opinions. After receiving approximately 2,500 responses, she learned a great deal.

The citizens are very interested in the children's programs offered at the library; however, they requested that such programs be offered in the evening and on weekends. A large percentage of citizens work during

the day and cannot take advantage of these programs if the library closes at 6:00 p.m. on weekdays.

The citizens were also interested in having more locations, particularly for citizens in the East side of the city. Not surprisingly, the citizens want more popular books. MaryEllin feels that the citizens are trying to say that they want to feel the same way when they walk into the library as they do when walking into a Barnes and Noble and seeing all of the new books and magazines.

MaryEllin presented statistics on the amount of money spent on libraries per citizen: City of Ventura \$17.45, Ventura County \$23.38, and State of California \$32.70. More funding does not always mean a better library. It all depends on how the money is spent.

MaryEllin will be presenting the City Council with her findings and her suggestions for improving the local libraries. She does not anticipate any additional funding for the libraries, but instead is giving recommendations that can be implemented within the confines of the current budget. It is hopeful that the City Council will provide a response to the data and recommendations in October 2011.

MaryEllin spoke about the place of libraries in society today. Just recently, libraries were given the designation of an essential service. This means that if there is a disaster, that libraries will be given the same priority in receiving assistance as police, fire, etc. The idea is that people need a central place to get information and help while rebuilding and the library can fulfill this function.

Libraries are now known much more for the services they offer than the books they have available. Libraries offer all types of services including: computers, internet, homework assistance, children's programs, senior programs, job search assistance, and a variety of classes. Books are no longer the main draw for libraries.

MaryEllin believes that libraries will continue to change and expand to meet the needs of its patrons, and will be an important part of every community for a long time to come.

Thank you MaryEllin for reminding us of the great value that can be found at our local library.

Our speaker today was MaryEllin Santiago.

Clubrunner ... what is it?

Jeff Hata

We are currently undergoing a shift in our club from manual systems to more automated and efficient systems. This system is called clubrunner. Please be patient and tolerant of us as we integrate this new system because it will be better for all of us once completed.

“Community clubs everywhere are serving a great cause. The hard work and dedication of their members have contributed to the great success of service clubs all over the world. But these dedicated members still find themselves spending hours administering club activities, often repeating the same work with each event. Time that is much better spent contributing in a meaningful way.

Clubs all over the world are facing challenges in building membership, especially with the younger generation, the future leaders of community service. ClubRunner is simply a tool that helps dedicated people do their job more efficiently and use their valuable time more wisely by streamlining common processes, and centralizing information so that it is at the reach of every single member.

ClubRunner offers all your members the tools to connect, communicate and collaborate.” From the clubrunner website www.clubrunner.ca

What will we be able to do?

- * Website Manager - Our current website will be integrated with clubrunner allowing our members to get the most up to date from R.I.
- * Member Directory will be available to all members online. Need someone’s phone number? Log in to clubrunner and you will be able to get it.
- * Attendance Manager, we will be applying bar codes to the backs of all your badges and you will be able to “swipe” yourself in. No more having to mark you off on a list and then manually calculate attendance each month. You will also be able to log into clubrunner and check your attendance at any time.
- * eBulletin will be replacing our constant contact eBulletin.
- * Committees Management will allow our Avenues of Service, Fund Raising Committes, or Board of Directors or any other committee we define to keep their activities posted on line.
- * Photo Albums will be available for all of our events.
- * Event Calendar & Planner is one of the most exciting features. We will be able to post our upcoming events online and you will be able to go to the website and sign up for the events instead of having to sign up on a clipboard. You will then receive an email notification that you have signed up.

I will tell you that I was skeptical of the value of Clubrunner, but now that I am working with it, I love it and am embracing it completely! More information to follow and we will be dedicating a program to clubrunner in the near future.

Melbourne club partners with homeless agency to provide shelter for city's poor

By Ryan Hyland

Rotary International News -- 11 July 2011

More than 65 people in Melbourne, Victoria, Australia, have a roof over their heads after moving into the newly built Elizabeth Street Common Ground, a facility that provides affordable apartments, mental health services, employment assistance, and medical referrals to the homeless.

In partnership with HomeGround Services, the city's largest homeless support agency, the Rotary Club of Melbourne raised US\$32,000 to furnish rooms in the facility. More than 40 club members each spent 35 days last year moving and assembling furniture and preparing apartments for the tenants.

"This project brings the community together in so many ways," says Philip Endersbee, 2010-11 president of the Melbourne club. "Businesses, neighbors, and tenants have all become involved. Everyone in the community feels a bit of ownership."

The Elizabeth Street Common Ground opened in August with 161 apartments on 11 floors, and a 24-hour concierge. The initiative, based on projects in New York City, provides housing for individuals who became homeless because of drug addiction, mental illness, physical disability, or job loss.

Endersbee says helping the homeless is now one of his club's top priorities, and will be a backbone of its community involvement for years to come.

"The cooperative partnership between the Melbourne club and HomeGround Services provides a wonderful opportunity for hands-on experience for members in contributing to the eradication of long-term homelessness," he says.

Under its 2009 agreement with HomeGround Services, the Melbourne club has committed to

- * Raising \$300,000 a year toward maintenance costs and operating expenses, including funds for care workers, rehabilitation specialists, and medical staff

- * Assisting HomeGround in raising funds from individuals and corporations, and seeking funding from local, state, and federal governments to support the Elizabeth Street project

- * Promoting supportive housing among local authorities, businesses, community organizations, and local Rotary clubs

- * Exploring job opportunities for Elizabeth tenants

"This project has been a real positive for Rotary's public image," says Endersbee. "There is no doubt that Rotary is seen as a beacon among nonprofit organizations in our city."

The Melbourne club's work with the homeless was nominated as a ProjectLINK model project. ProjectLINK model projects provide examples of best practices and can introduce clubs to a variety of creative ideas.
